June, 2013

Town Business Owners & Utility Customers  
Town Residents  
Town Vendors

In January of 2008 a Facilities Advisory Committee was formed to study the space needs of the Town of Vienna. From 2008 through November 2012 the original committee and several subsequent committees put forth various different proposals. A proposal for a new Town Hall/Shop was passed at a November 2012 meeting. The loan for the project was set at \$950,000 at that meeting. When the project was put out to bid in early 2013, we obtained prices for “alternate bids” for in-floor heat in the shop, and an additional parking lot off the northeast corner of the building. The in floor heat option was included, as it could not be added later. A decision was made to exclude the extra parking lot at the start of the project.

During the initial discussions of the project several businesses, vendors and residents expressed a desire to make a contribution towards the project. The Town Board recently approved a fundraising plan. Funds will be accepted and acknowledged under 4 different categories: Platinum = \$5,000+, Gold = \$1,000+, Silver = \$500+, Bronze = \$100 + Your contributions are tax deductible.

Funds raised during the next coming months will be used to finish the parking lot off the northeast corner of the building and for furniture inside the building.

Contributor’s names will be listed on plates on a plaque inside the Town Hall. Names will be listed under the general categories listed above. Please complete the form indicating how you would like the name(s) to read. For planning purposes we would like the forms and payment returned by July 31, 2013. If you would like to participate and would prefer a payment plan, please contact me.

If you have questions, please call me at 608-846-3800 or E-mail me at: [tovclerk@centurytel.net](mailto:tovclerk@centurytel.net)

I look forward to having your name listed on this permanent piece of Town of Vienna history.
