

Ordinance 2000-2

Ordinance to regulate false alarm charges for properties within the Waunakee Fire sections of the Town of Vienna

Whereas, the reporting of false alarms has become an increasing concern and expense to all properties and residents served by the Waunakee Area Fire District, and

Whereas, the Waunakee Area Fire District Board has proposed that all municipalities served by the Waunakee Area Fire District adopt a uniform ordinance which will allow charges to be assessed to every location within the District which exceed three false alarm calls in any calendar year (January 1 to December 31), and

Whereas, the false alarm charges will be assessed based upon the number of fire apparatus units which respond to each false alarm over the non-chargeable number of three calls per year, and

Whereas, the charges will be based on the fee schedule attached as exhibit A to this ordinance.

Now, Therefore, Be it Ordained, that the Town Board of the Town of Vienna has acted to adopt this ordinance establishing that false alarm calls to locations within the Town of Vienna and the Waunakee Fire District will be assessed charges for all calls over the allowed three false alarm calls in any calendar year, and as stipulated in attachment A of this ordinance.
