Dane County Sheriff's Office – Community Crime Map

Madison, WI. December 28, 2018 –

In an effort to provide information to the public and improve public safety, the Dane County Sheriff's Office now provides easy online access to crime information. Members of the public can obtain information about calls-for-service, view crime statistics, examine heat maps, apply location filters and much more to learn about criminal activity in their own neighborhoods and throughout Dane County. Incident information from June 12, 2018 to present is now searchable online via the Community Crime Map. New information is uploaded daily.

Members of the public may access the Community Crime Map by clicking on the Community Crime Map link in the NEWS AND NOTEWORTHY section of the Sheriff's Office website, www.danesherriff.com or by visiting www.communitycrimemap.com
